School is OUT!! What Do You Do in the Summertime?

These Aliso Viejo children have the right idea. Summer in Orange County is all about fun in the sun. Unless you're a parent, then summer is all about entertaining the progeny. For our message about school vacation on page 6.

850 Students, 46,000 Books, One Head of School with Pink Hair

Eight months ago, St. Mary's Head of School, Chana DiCorpo-Faltes, challenged students, their families and the school's employees to read a total of 30,000 books before the end of the school year. Not only did the students meet that goal two months early, when the challenge ended, the total amount of books read exceeded 46,000. The school's administration hosted a carnival to celebrate this achievement Friday, June 2nd. DiCorpo-Faltes opened a different challenge.

St. Mary's Head of School, Chana DiCorpo-Faltes, made good on her promise to undergo a makeover if students exceeded her reading challenge.

Right Reverend Katharine Jefferts Schori New Presiding Bishop of the Episcopal Church

The big news in the Episcopal Church is the election of the Right Reverend Katharine Jefferts Schori as the Presiding Bishop of the Episcopal Church. She is currently the Bishop of Nevada but will leave that office when she assumes her new position on November 1st. She will be installed at the National Cathedral in Washington, D.C. over three days later. Until 1976, women could not be ordained in the Episcopal Church. The first woman bishop was elected in 1989. Now some 15 years later, the House of Bishops, Bishop Jefferts Schori was elected by her fellow bishops to lead the church. For anyone who knows anything about the Episcopal Church and its relationship with the Anglican church around the world will know that she has begun a walk down a most challenging road. A Faith Episcopal we are talking a lot about the religious landscape in America. A number of people who study that kind subject are using in the present condition, a return to a time of reform. The last time such a thing happened was nearly 500 years ago and it resulted in the Protestant Reformation.
